WORK EXPERIENCE

Full-time Supply Chain Analyst Co-op

June 2024 – December 2024

Cummins

Florence, Kentucky

- Developed global supply chain databases with Access, Excel, Oracle, and AS400, improving data accuracy and accessibility
- Analyzed supply chain metrics to identify and address bottlenecks and inefficiencies
- Created and optimized multiple Access databases, streamlining workflows, and enhancing departmental efficiency
- Led the generation and refinement of daily reports for planners and supply chain managers, making critical decisions on parts acceptance or rejection using AS400
- Consolidated international supply chain data to support analysis and strategic decisions

Part-time Student Worker

September 2022 – May 2023

Athletics Ticket Office at University of Cincinnati

Cincinnati, Ohio

- Managed walk-up sales and customer inquiries in a fast-paced environment
- Responded to phone calls and emails at the request of Ticket Office staff, to ensure excellent customer satisfaction
- Gained knowledge of operational procedures such as season ticket renewals, per seat donation requirements, student on-sales, and various other procedures

Full-time Cashier

July 2019 – December 2019

Carrefour

Sohar, Oman

- Solved billing problems and handled customer inquiries prior to problems developing
- Handled 50+ daily customer checkouts and 100+ on weekends every shift
- Collaborated with other cashiers, offering assistance to other teammates during busy times

ACADEMIC PROJECTS

Big Idea Project, Business Foundations

August 2021 – December 2021

- Invented a software app for the Ti84 calculator at an extremely lower price than a physical Ti-84 calculator
- Applied course concepts and tools to develop a feasible, implementable business plan to execute against that idea
- Developed a business plan, arranged finances, verified state and federal laws, and managed to advertise the idea
- Served as head of finance and completed financial projections in Microsoft Excel

LEADERSHIP AND INVOLVEMENT

Student Leader

January 2024 – Present

UC International Partners and Leaders (IPALs) at University of Cincinnati

Cincinnati, Ohio

- Supported international students with accommodation and integration at UC and Cincinnati, engaging in events, workshops, and meet-ups
- Guided individuals through the Spring and Fall retreats, helping to develop leadership skills
- Participated in board meetings, enhancing professional skills and broadening knowledge

Treasurer

April 2024 – Present

Asian Business Student Association (ABSA) at University of Cincinnati

Cincinnati, Ohio

- Managed budgets and financial records, ensuring accurate tracking and effective fund allocation for events
- Organized fundraising efforts and provided financial insights for strategic planning
